The theme of this year's Red and Green Yearbook is Backtrackin'. Its purpose is to reflect the year of 1984-1985 in the next 232 pages. Yet Backtrackin' just doesn't show what we do in school, but our lives outside of the classroom. It shows aspects of our social life and our working life. It shows the actions of the famous and powerful and the influence they've had in the past year on our own lives.

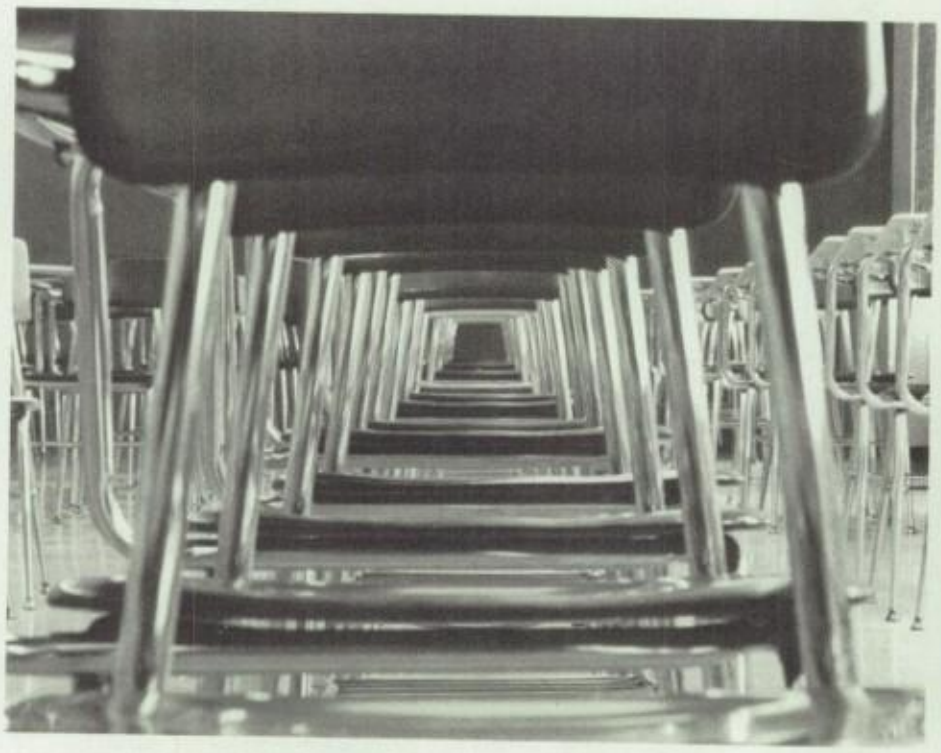
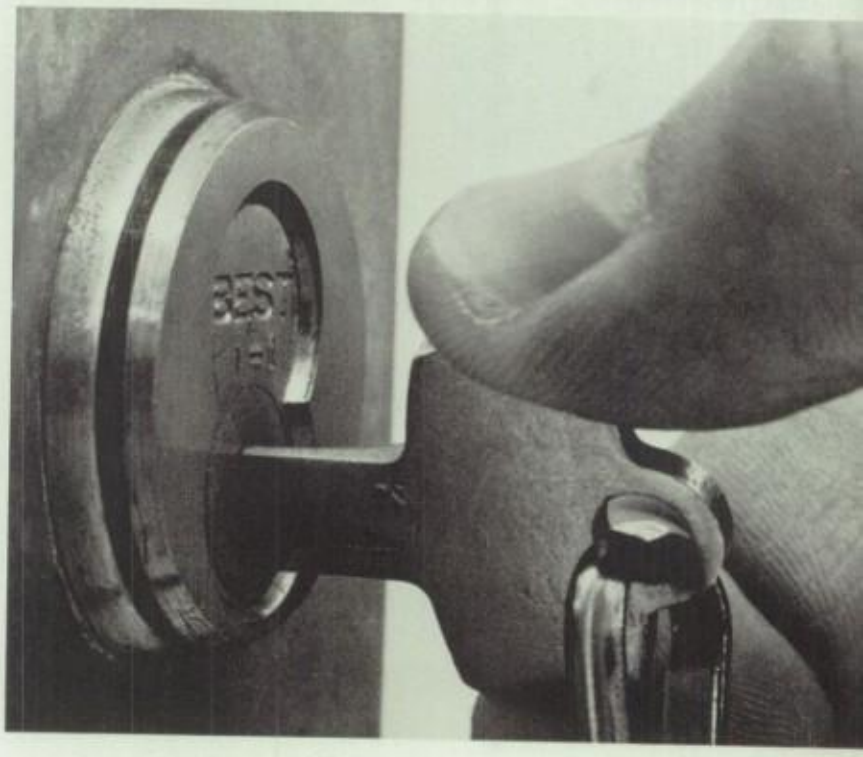
What's What?





Most of us are so busy, that we don't take the time to look at the smaller things in life. The pencil that you used in math class becomes a utensil of graceful proportions when looked at closely. Or perhaps the key that you started your car with today has a unique feature about it that you never noticed because of the hustle and bustle.

To us, ordinary items, such as desks or paper-punchers, have no imagination. But seen through the shutter of a camera, they take on a magical quality. Detail becomes an important aspect, while symmetry is a point that should not be overlooked. Try slowing down and taking a closer glance at the seemingly mundane part of life. You may be surprised.

GRADUATION

The Class of 1984 set many notable impressions on Jamestown High School. The class officers, Mena Colluci (president), Andy Geisler (Vice-president), Cesca Rappole (Secretary), Cathy Bednarik (Treasurer), and Mary Karapontso (Historian), worked very successfully with the entire class in making their senior year a terrific one. They were aided by class advisor, Mrs. Carolyn Whitehead.

The class ended the year by making a donation of $500 to the school to be used in the construction of the new gym. They also gave $500 to the Chautauqua County Council on Alcoholism to be used to help educate the children of alcoholics.

The 1984 Graduation, held at Chautauqua Institute, was also a big success. Mena Colluci was the recipient of the 100 Member Club Award. She received a $500 scholarship from the club. Dr. Bruce Theilmann, the guest speaker at the graduation, proved to be a good choice. He was so well liked that he was asked to speak again at this year's graduation.

PULSE!

It takes a special person to be a dedicated athlete. These are the people who swim every morning before school and then another two and a half hours after school. These are the people who run football plays in the mud and rain until they know the routine in their sleep. These are the people who push their bodies and their minds beyond the limit.

Many athletes make sacrifices to be number one in their sport. This may mean that they can't go out on a Friday night because they have a game the next day, or they can't eat anymore pizza or milkshakes because they must lose 15 pounds within the next two weeks, or to choose between their sport and another extra-curricular activity.

No pain, no gain is the philosophy of most coaches. Many athletes can remember days when they could hardly move. When it hurt to walk, or to comb their hair.

But those who accept these challenges, reap a rich harvest. Their goals vary from Rich Stadium to state championships and even college scholarships. But whether you attain your goal or come 1/10 of a second away, your effort of attempt is to be commemorated.

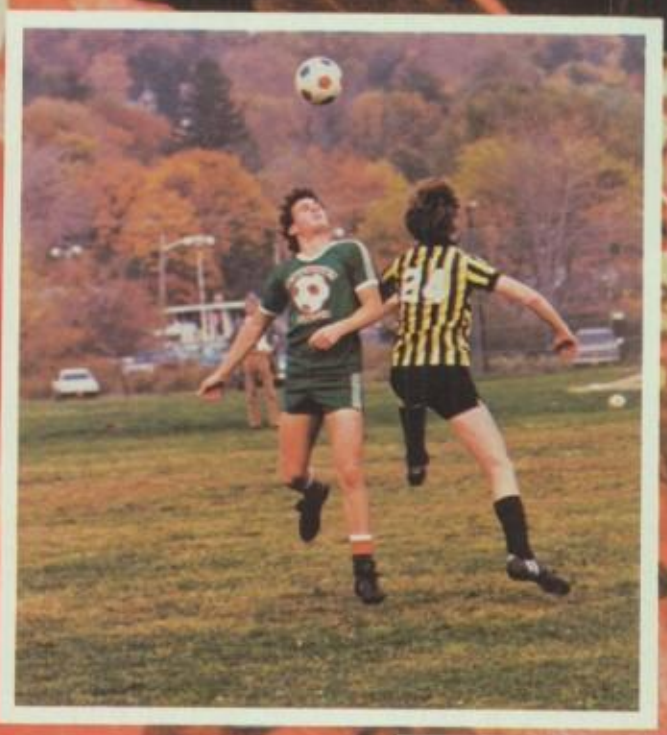
JAMESTOWN



A Memorable Moment

A wordless walk,
Through mountains of red, orange and green,
Created by a patchwork of branches,
Woven above.
Contrasting a canvas of powder puff clouds,
Partically concealing a delicate shade of blue.
The wind blows softly
With just enough chill,
To pinken my cheeks,
And give warning of coming events,
While a crisp scent,
Lingers in the air,
Tingling my face,
And leaving a delirious sensation,
As the leaves,
Crunch underfoot,
And the first snowflake,
Of the season,
Lands on my nose . . .
and melts.

Caught Up In Politics

This year JHS students were lucky to have the opportunity to participate in political campaigns. Running for Congress were Stan Lundine, Democrat and Jill Emery, Republican. Running for State Legislature were William Parment, Democrat and Anthony Caprino, Republican. During student's spare time, either a week night or weekend, they would go to either the Republican or Democratic headquarters and do such tasks as making phone calls, stuffing envelopes, or delivering literature to houses. This project involved one to two nights a week for about two hours. In reward for their help the campaign headquarters provided pop, potato chips and sometimes even pizza. For school rewards some teachers such as Mr. Richard Kimball, gave extra credit to the participants.

Along the national level, there was a big change that took place in the Mondale Democratic Campaign. Candidate Walter Mondale selected Geraldine Ferraro to run with him as Vice President. This Democratic ticket lost by somewhat of a landslide. President Ronald Reagan, and Vice President George Bush, won the 1984 Presidential election by obtaining all electoral votes except the three from the District of Columbia.

In the local elections, Edward Rath was the only new elected official for the position of Supreme Court Justice. All other candidates who won served the previous term, Congress — Stan Lundine, Senate — Jess Present, State Legislature — William Parment, Sheriff — John Bentley.

"The Band" in Action

The year of 1984 took on a special significance for the Jamestown igh School Band. The band, under the direction of Mr. Deppas, elebrated its 60th anniversary year. This was highlighted by a oncert in May which saw the return of Charles Jacobson, and Del oranson, the son of the late Arthur Goranson. Mr. Goranson was ne founder of the JHS Band back in 1924.

The year concluded with the marching band setting a new school coring record of 91.5 and taking 5th place in the state in the Carrier ome at Syracuse.

The band also traveled to New York City over Thanksgiving to articipate in the Macy's Thanksgiving Day Parade. The band was een on NBC-TV by some 80 million people. The band was chosen as ne of 12 bands out of over 300 applications to represent New York tate!

Homecoming Changes Are Successful!

The 1984 Homecoming was marked by many changes, First, there was an addition of six king nominees to the original six queen nominees. The addition made the ceremonies more interesting. A second change was the nominating of queen and king was done by the entire senior class. It was previously done by only the football players. This definitely made the ballots more accurate and involved more people with homecoming. Overall, the changes made homecoming more successful than ever before. Participation and enthusiasm were greatly increased.

The weekend began on Friday night with a parade to the high school, where the bonfire was to take place. Saturday, the festivities were resumed with a football game between our Radiers and North Tonawanda. At halftime, the homecoming king and queen ceremonies took place.

Participation in the parade and bonfire was very good. Crowds of people watched as participants in the homecoming events marched through the streets to the high school. Then, the crowds shifted to the football field where the bonfire began. Those who participated, enjoyed talking and dancing to the music at the bonfire and everyone was pepped up for the football game the next day.

The football game was a big success with a 34-6 victory over North Tonawanda. The players needed this win to secure a playoff spot at Rich Stadium. Homecoming weekend really gave the players good spirits to play with.

The homecoming candidates are shown in the picture at the right. On the first row are the homecoming king nominees, Jeff Currah, Mike Tedquist, Jon Lewis, and Buddy Czubaj. On the second row from left to right are the homecominmg queen nominees and their escorts; Escort Don Zaru and Kelly Lisciandro, Escort Bill Manno and Kim Manno, Escort Tom Carlson and Julie Puglia, Debbie King and Escort Mark Johnson, Kristie Sundquist and Escort Tim Sherwood, and Jody Carlson and Escort Bill Tordella. Missing from this picture are John Wasberg and Brad Zilliox. Julie Puglia was named the 1984 Homecoming Queen. Her first and second runners-up were Kim Manno and Debbie King, respectively. The 1984 Homecoming King was Mike Tedquist. His first runner-up was Brad Zilliox. Jeff Currah and Jon Lewis share the title of second runner-up.

Everyone should be congratulated for all the fine performances on Homecoming Weekend. Those who participated in the events contributed a lot to the spirit of the weekend. The events were full of much excitement and enthusiasm. The Homecoming Weekend was very successful, indeed.

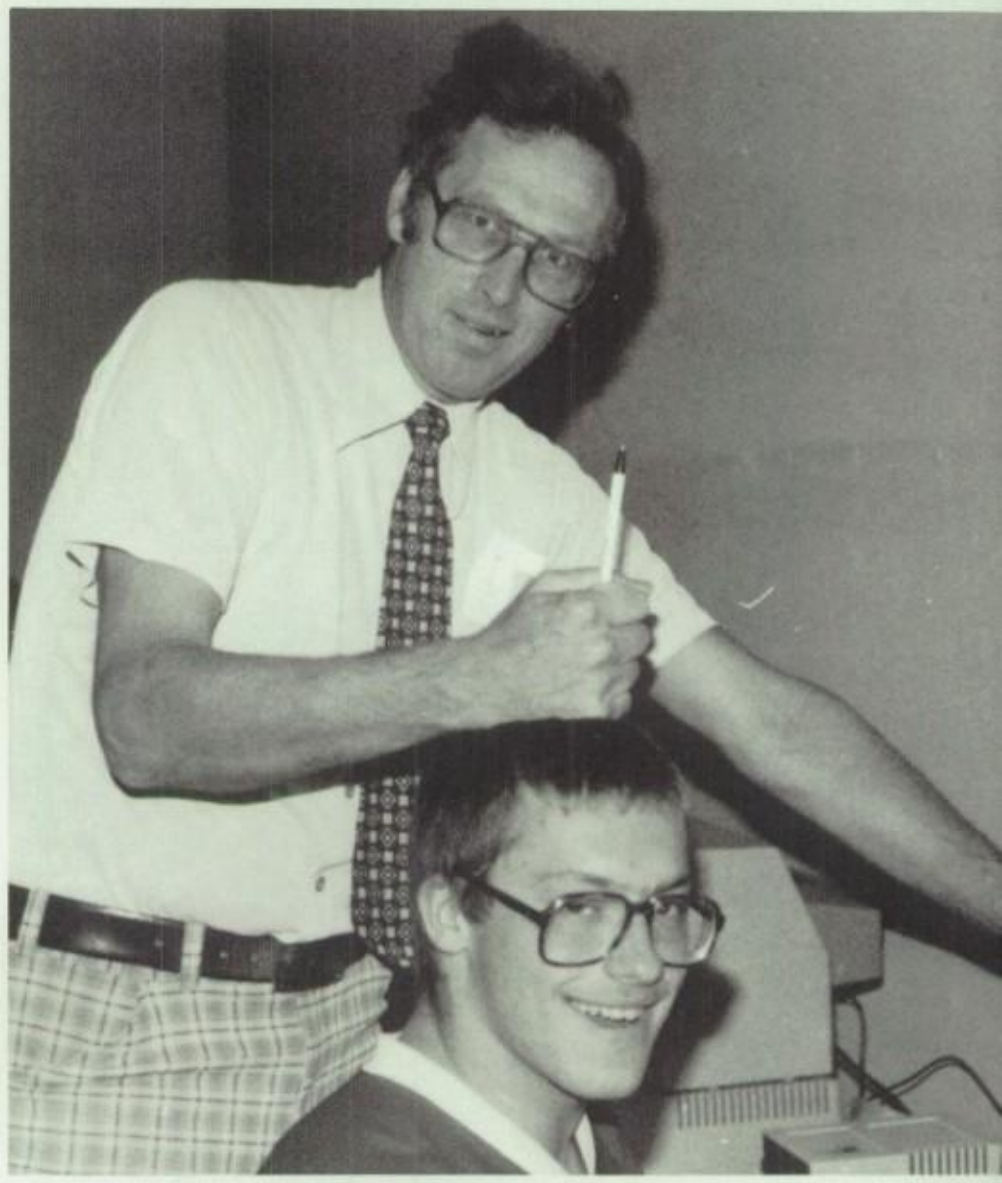
EDUCATIONAL



MISCHIEF

J.H.S.

From the outside it appears to be just another building. But to the 1600 students of Jamestown High School it is sometimes considered a second home. Not only do we spend seven to eight hours a day in classes, but many of us also spend mornings and afternoons in meetings and practices. Some dedicate much of their lives to extra-curricular activities, such as the J.H.S. Band, athletic teams, and various other activities that exist at J.H.S.

While we, the students, strive for excellence scholastically or in extracurricular activities our "second home" is being remodeled. Although it may cause a bit of confusion and inconvenience, the reconstruction will be very beneficial.

The 2.5 million dollar project will include all new windows as well as new bathrooms. But the major part of the project will be the demolition of the tennis courts and houses along Foote Avenue for the construction of our new gym. This new facility will hold all basketball, wrestling and other indoor sports that were previously held at J.C.C. This project is expected to be finished in the fall of 1986.

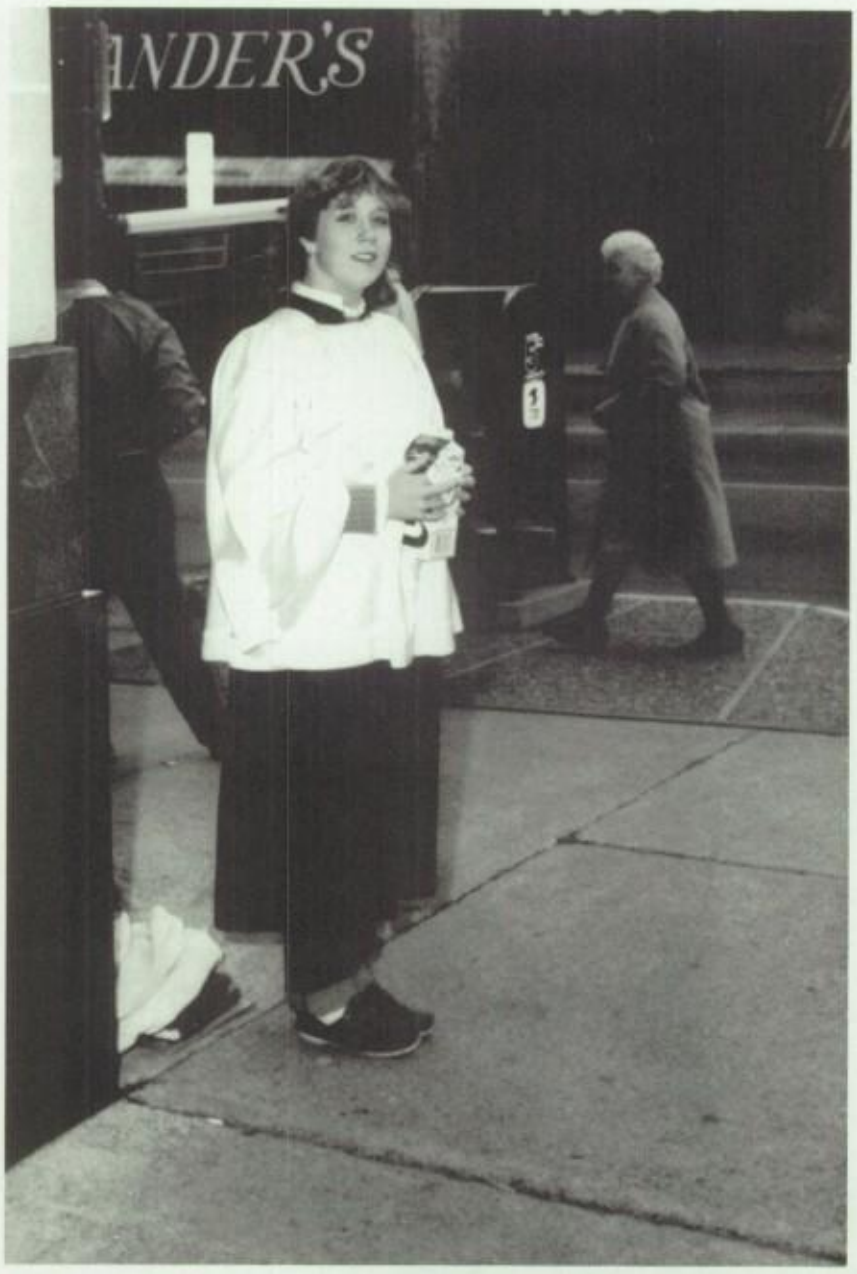
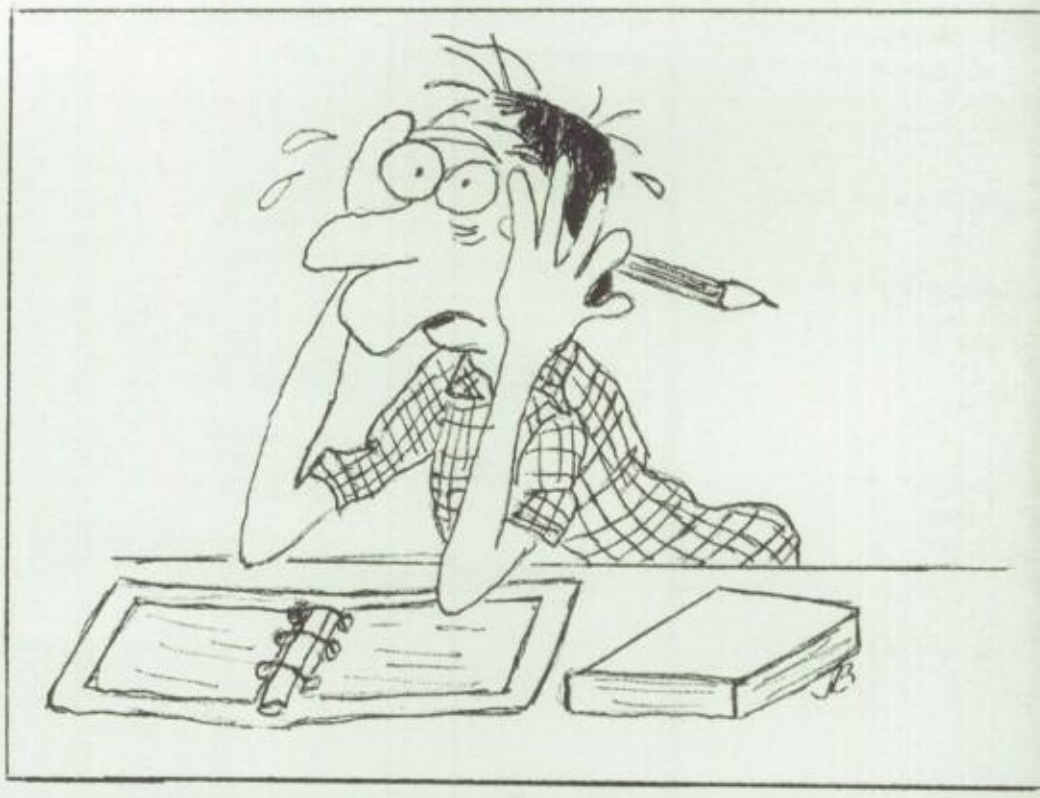
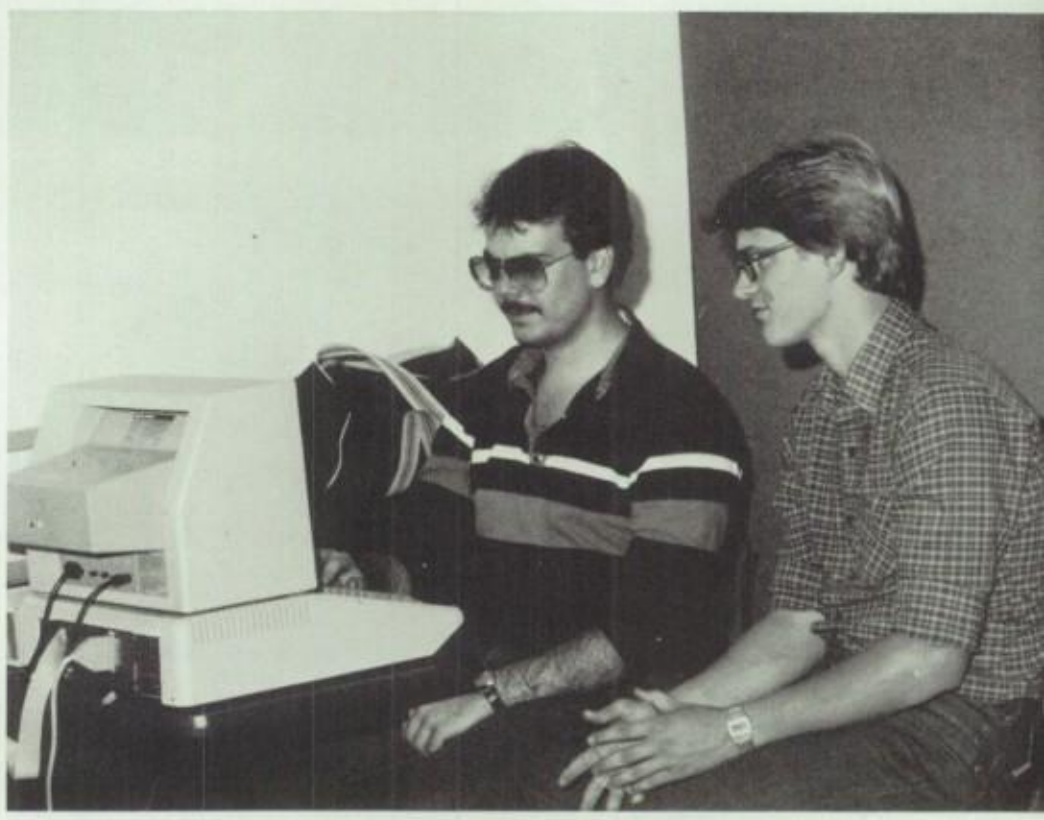
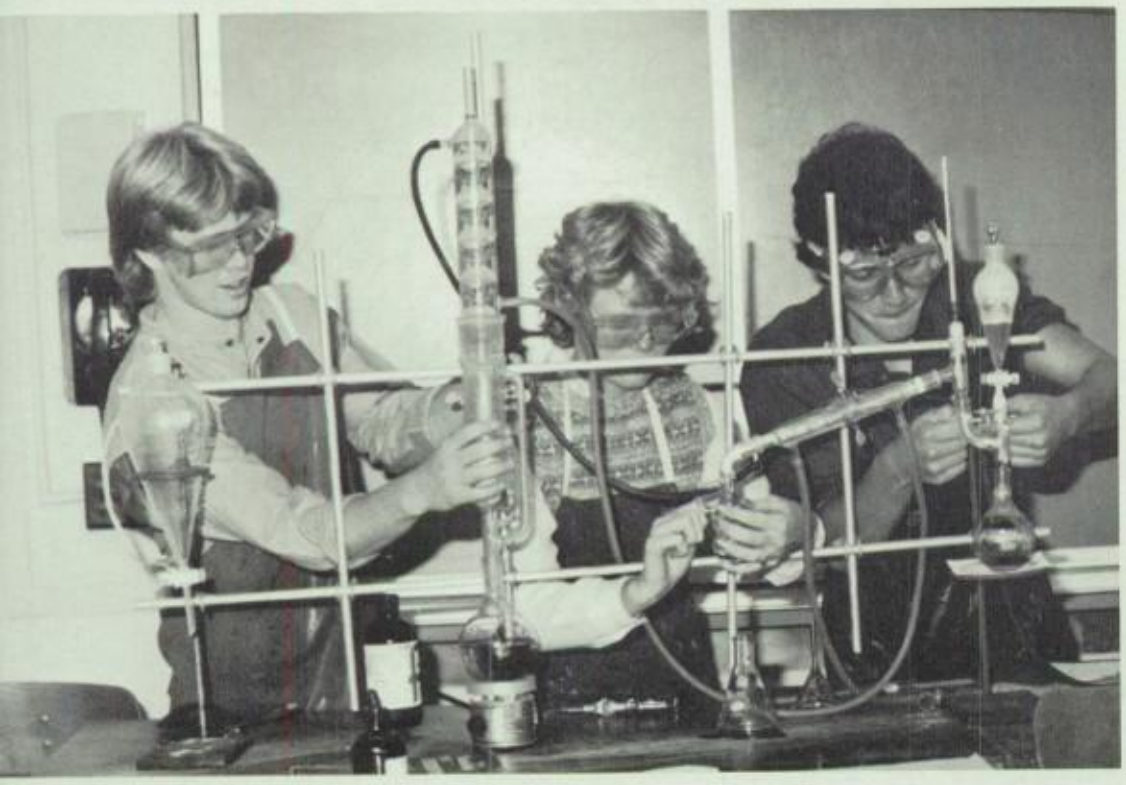
VARIETY









The one thing that is not lacking in Jamestown is activities to do. JHS has a variety of extra-curricular activities to suit just about anyone's taste. Wherever your talent lies, there is a place somewhere in this city where you can pursue your activity.

At JHS, there are numerous activities from which to choose. For those who like to think and use their minds, the Academic Quiz Team or the Debate Club might interest them. For those musically inclined, JHS is the home of the fifth ranked band in the state of New York. And for the students who like to keep physically active, JHS has over seventeen sports from which to choose.

And if you don't fit into any of those categories, the Jamestown community holds many other organizations such as church groups, dance schools, and cosmetology programs. But if you can't carry a tune or you're allergic to chlorine, many students stay happily busy by studying or just being with friends.

Looking Back at 1984 and 1985

"Remember, next Wednesday is our final deadline!" The Red and Green yearbook staff measured their year from September to June by the number of deadlines. Once the final deadline was met in early March, the hectic pace eased a bit. From March to May page-proofs were mailed back to JHS from the Delmar Publishing Company located in Charlotte, North Carolina. Corrections were quickly made and the proofs were sent back in order to avoid any printing delays. Staff members were given assignments for layout design, copy writing, photography, typing, or selling. This opportunity provided an excellent chance for each staff member to challenge his or her creative resources. Every year there seems to be new hurdles popping up thus keeping the staff very busy each afternoon. This year the Red and Green experienced delays in receiving their photographs from the processing studio. But the greatest difficulty was the daily release time for staff members. Some students were excused at 2:25 while others had an eighth set class until 3:15. In addition, a few staff members met during fourth set to work on layouts. Trying to accommodate three different meeting times proved extremely frustrating.

The Raider Voice spent another busy year in 1984-1985. The Raider Voice is the JHS school newspaper which covers all aspects of school life. The staff of over sixty students put out five issues. In addition, they competed in a tri-state competition sponsored by Gannon University. They also attended the Western New York School Press Association Conference at SUNY at Fredonia. The Chief Editor was Shayne Knight and the Associate Editor was Katie Hetrick. They were ably assisted by News Editor Julie Forsberg, Feature Editor Cheryl Johnson, Sports Editor Tim Nickles, Music Editor Robin Boerst, Drama Editor Kate Morrill, and Art Editor Stacy Allen.

Quiz Team Receives High Score

The Academic Quiz team provides competitions for students in the areas of academic subjects and general knowledge. The quiz team meets three days each week throughout the year. This year, the quiz team hadn't lost a match. Last year, the quiz team was the 1983-84 WSEE-93 High School Bowl Champions by going undefeated in the competition. In December, the quiz team received a score of 300 while participating on WIVB Channel 4's "It's Academic," which is its best score in ten years. The all Junior starting lineup of the quiz team consists of David Castiglione, Mark Layton, Wilson Mudge, and Jason Stahlman.

Honor Society Has Busy Year

The Kappa Alpha Tau chapter of the National Honor Society is here at Jamestown High School and is advised by Mr. Clayton Berlinghoff. It is one of the most outstanding organizations of the school. Members must apply for admission and are voted on by a faculty committee. Not only must the members hold a high academic average, but they must also have the qualities of leadership, character, scholarship, and service in both the school and the community.

The Honor Society has had a very busy year. They started out the year by selling crystal jewelry pieces in order to raise money for the scholarships given at the end of the year. They made a profit of about $800 with this sale. In December, twenty-three new seniors were accepted into the Honor Society. The twenty-two members who were inducted in their junior year were given the opportunity to "tap" their fellow seniors into the Honor Society. It was certainly a very exciting time for both the old and new senior members.

The Honor Society had also operated the concession stand at all of the Boys' Varsity and Junior Varsity basketball games at Jamestown Community College for the last few years. Mr. Berlinghoff along with the members worked very hard to make the concession sales a big success this year. Much time and effort was put into working the games, but the end result was well worth it. The Honor Society made a profit of $1000. The money earned at these games will also go towards the scholarships given at the end of the year.

To end the year the Honor Society will take a two day trip to Toronto. The trip is a suitable finish to the very successful year.

Foreign Exchange

This year Jamestown High School was once again involved in the International Youth Exchange program. JHS has always placed a great emphasis upon Youth Exchange, and this year was no exception. This year's students were: Stephanie Carullo — Australia; Thessa Sinibaldi — Brazil; Elisabeth Boji and Daniel Krieg — Sweden; Jari-Pekka Lehto and Mike Leppanen — Finland; Michael Thompsen — Denmark; and Rosario Tirado — Mexico.

Similar to last year, the Jamestown Rotary Club sponsored a Youth Exchange Weekend at JHS on Friday, November 9. Sixty-eight exchange students from all over the world, living in the United States for a year, came to Jamestown. Many of the exchange students stayed with JHS students' families for the weekend. Saturday morning the students went to JHS for swimming, volleyball, and basketball. Saturday night, there was a dance at JCC. Sunday, the exchange students went ice skating, later had pizza and then headed back to their American host families.

This year JHS also hosted twelve students and two teachers from Kolin, Germany for two weeks in October. The German students, while in the U.S.A., visited Niagra Falls and Toronto with the JHS German Club. They were in Jamestown for the Homecoming bonfire and dance.

The exchange students, this year, said they liked the friendliness of the Americans. Stephanie Carullo says she "loves the JHS cafeteria food".

Spanish Club has been involved in two sales campaigns whereby individuals earn money which they may use towards their travel expenses to Spain. A trip to Spain is offered every other year. A 1986 trip is planned. The Spanish Club invited several of Latin American exchange students as guest speakers at their November meeting the Spanish Club is also planning a Spanish dinner to be held at a local restaurant this March. They also hope to offer a feature-length film in Spanish to all Spanish language students during Festival-of-Arts Week.

French Club Travels to Canada

The JHS French Club members traveled to Québec and Montréal in May. They sold candy bars and cheese in the fall to earn money for this event. One bus load of students and chaperônes spent three days and three nights sight-seeing these two French-Canadian cities.

A large number of students participated in Language Fairs at JCC, Fredonia, and Buffalo. Some prepared a play entitled "La Cantatrice Chauve," and others recited poems. Last spring Kathy Gagne recited "Le Chene et le Roseau" by LaFontaine at the Western New York Language Fair in Buffalo and won first place. She was the honored with an invitation to the Concord Hotel where she performed for teachers and students at the annual meeting of the New York State Association of Foreign Language Teachers. Felicitations, Kathy!

The French Club also planned a Language Olympics, involving all four language clubs, and a night at a restaurant for a French dinner.

The officers for 1984-85 were Laura Kimball, President, Erika Lundahl, Vice-President, Erin Healy, Secretary, and Kellie Cusimano and Chris Goodell, Co-Treasurers.

Row 1: Chris Goodell, Erika Lundahl. **Row 2:** Kellie Cusimano, Erin Healy, Laura Kimball. **Row 3:** Mr. Coffman.

JHS Hosts German Students

The 1984-1985 German Club has had a very active year. It began in September, when the members sold candy bars to help raise money for the arrival of the twelve German exchange students from Köln.

The German students came in October. A bus load of club members and hosts rode out to meet them at the Buffalo airport. They traveled to Niagara Falls. The Germans and their hosts enjoyed an eventful day at Niagara Falls, and then left for Jamestown. The exchange students were here for approximately 2 weeks. The German Club provided many activities for the students.

Later on in the year, German Club members held a cheese and sausage sale, as well as a foster sale. These sales were highly successful and should prove to be very helpful in future German Club ventures. All in all, the year was highly successful. We hope to see an increase of "klub" members, especially from the freshmen and sophomores.

Latin Club profited well from their several fund raising projects—candy sale, cheese and sausage sale, foreign language t-shirts, and carnation sale for Valentine's Day. The money raised will be used by students traveling to Greece in April of this year. Competitions in Latin were entered at JCC, Fredonia, and Buffalo, by the upper level students. In the spring we looked forward to a spring dinner, pizza party, and language olympics.

"Seventeen"

"Seventeen" was chosen as the musical to be presented this year after long research. It is a 1951 Broadway show set in 1907 Indiana. The musical was directed by Mr. David Hedberg. Also, Miss Valerie Lettieri was vocal director and Miss Cathy Kahn was orchestra director. Laura Kimball played Lola, the lead character, while Gary Kindberg played Willie Baxter, the male lead. But there was much hard work displayed by all cast members. The cast rehearsed from January to show time in March, practicing three times a week. The great amount of work and practice that went into producing the musical was very evident in its great success.

"Unscene Heroes" Tackle Problems

The success of the musical is mostly attributed to the actors and actresses on stage. However, the performers should receive only part of the credit. Equal to the part of the performers is that of the Backstage Club. Because they are not recognized as a big part of the play, they sometimes call themselves the "unscene heroes."

Indeed, the Backstage Club did tackle many difficulties and solve many problems successfully this year. First, they had to clean and organize the large storage room above the stage, which was filled with old curtains and broken props, and the wood storage room on stage level. They also had to seek donations for the props and costumes for the musical. Building the set was another item to tackle. This required painting all the backdrops and building a special set that included two large movable houses. The Backstage Club was advised by Mr. David Hedberg and headed by officers David Wick, Pam Morrison, and Steve Destro.

Pit Orchestra

The Pit Orchestra, directed by Miss Catherine Kahn, is made up of Orchestra members to play for the All-School Musical, "Seventeen." The musicians put in many hours learning the music for "Seventeen." They performed very successfully at the musical and added to the great success of "Seventeen" itself. More credit should be given to these musicians for putting in the extra hours of practice.

A'Cappella Choir

The 1984-85 school year was a very busy one for the JHS A Cappella Choir. They began their year with their annual Alumni Christmas Vesper Service at First Lutheran Church. Nearly 400 alumni attended the traditional vesper service which was held on Dec. 9 and 16.

Another major highlight of the year was their trip to Virginia and Washington, D.C. The Choir was asked to sing at a few historical places while they toured Williamsburg, Va. and Washington.

The Choir concluded its year on May 18 with the annual Spring Choral Concert.

Men of Tomorrow

Mixed Chorus and Girls' Chorus

The JHS Mixed Chorus and Girls' Chorus have been the main "feeder groups" for the JHS A Capella Choir. The students in both groups work hard preparing their voices hoping that they will be selected to sing in the A Capella. Both of the musical organizations performed for the Music Boosters Organization in December. They also performed at the Spring Choral Concert in May which was very successful. Both of the groups are directed by Mr. Bogey.

Fredonia Trip Is Very Worthwhile

The 1984-85 Concert Orchestra, directed by Miss Catherine Kahn, has had a very busy year. Their performances at several area schools and at JHS, for their annual Spring Concert, were very successful. Many orchestra members also participated in the pit orchestra for the all-school Musical, "Seventeen." For the second year the orchestra travelled to Fredonia to work with Harry John Brown and the Fredonia Symphony Orchestra. The trip was very worthwhile for all the students and will be made an annual event. The orchestra also performed at the NYSSMA festival and finished the year by sending many students to participate in the Chautauqua All-County Orchestra.

Ninth Grade Band and Jazzmen

The Ninth Grade Band, under the direction of Mr. Lory Ventura, had a very busy schedule this year. Some of the events planned included a car wash, candy sale, spring concert, NYSSMA competition festival, Memorial Day Parade, Solo Competition festival, assembly program, band pagent, and band picnic. "The reason for the success of the organization," commented Mr. Ventura, "is mainly because of this year's officers." Leading the band was Mark Richard, Christine Bailey, Lynn Dunham, and Lisa Galati.

The Jazzmen is another band which is available to Freshmen and Sophomores to prepare them for the Varsity Band Program. The group is made up of students who enjoy performing jazz and is also under the direction of Mr. Ventura. This year they performed at the JHS Jazz Concert, the Heart-A-Thon,, the Band pagent, and many other places.

Student Organization

Student Organization is a coordination committee which consists of the officers of the four classes and any other interested students. This organization is responsible for activities which involve the entire school such as all Homecoming events, the Bloodmobile, Battle of the Classes, all school dances, Spirit Week, The breakfast for seniors and the reception for seniors and parents after Baccalaureate. This year, the Student Organization decided to donate the proceeds of the Battle of the Classes to the Buffalo Children's Hospital. A total of $1,000 was donated.

Julie Juul, Treasurer; Bill Caldwell, President; Karen Dull, Secretary; Mr. Mathis, Advisor; Kathy Gagne, Co-Vice-President; Laura Kimball, Co-Vic President.

Seniors

The Senior class went through a few changes in their transition from eleventh to twelfth grade. The Class of 85 was taken over by a new advisor, Mr. Jim Mathis. The Seniors also discovered a new found spirit and unity. Their class colors are light blue and dark blue, and their symbol is the dove. Their motto is "Soar with the wind and you will never touch the ground." The class song is "Yesterday" by the Beatles. During the year the Seniors have worked on many important projects such as Homecoming, Commencement, Baccalaureate, and the Prom.

Row 1: Heather Brown, Vice-President; Tina Pillittieri, Secretary; Mr. Pasquale, Advisor; Hilary Farnella, Treasurer. **Row 2:** Gretchen Sherwood, Historian; Dan Blixt, President.

Juniors

This year's Junior class had another outstanding year. They participated in many school activities to show their spirit and enthusiasm. They built a float for Homecoming ceremonies, had a class party, and sponsored a Halloween dance. The Junior's class colors are green and white, and their symbol is the eagle. The Class of 1986's motto is "Today we're moving clouds . . . tomorrow we'll try mountains."

Row 1: Mi Hyang Kim, Secretary; Kim Vassallo, Treasurer; Dage Blixt, President. **Row 2:** Lisa Arcadipane, Historian; John Krudys, Vice-President; Miss Braungard, Advisor.

Sophomores

The Sophomore Class of 87 had a busy year this year. They had two class parties and sponsored two dances. They sold suckers and class shirts. They received their banner and made plans for a class trip. Their class colors are blue, green, and white, and their symbol is the stallion. The Class of 1987's motto is "We dare to do what others only dream of."

Row 1: Sue Karapontso, Lisa Elardo, Rachel Painter. **Row 2:** Alison Ney, Mrs. Whitehead, Gloria Villa.

Freshmen

The Freshman Class of 88 had an active and exciting first year here at Jamestown High School. Their first order of business was the election of class officers. Sue Karapontso is secretary; Alison Ney, Vice-President; Lisa Elardo, Historian; Gloria Villa, Treasurer; and Rachel Painter, President. Their class advisor is Mrs. Whitehead. The Freshmen worked on a float for Homecoming ceremonies. They came in fourth place for Battle of the Classes. They also had a Valentine's Day class party. Their class colors are black, red, and white. Their class motto is "Cherish yesterday. Dream tomorrow. Live today."

Debate Returns To JHS

Topic resolved: The government should provide work for the nation's poor.

After a seven year absence, JHS has a newly organized debate team. With Mr. Reinhold as advisor, the team meets every Thursday researching topics and practicing debate tactics. New to Jamestown is the Lincoln-Douglas debate style which has a wide open, more extemporaneous format. Debates are at local colleges and summer workshops are available to debaters.

Poetry For A+ Page

The Script Club is another club at JHS which is not known to many of the students here. The advisor for the club was Mr. Danielson. The members met once a week to collect, discuss, and edit poetry which they had written themselves. Members also contributed some work for the A+ page of the Post Journal. The best works of the year were then combined in a publication which the club put out in the spring.

Skiers Have Lots Of Snow

The Ski Club had a good season this year. The blizzard of '85 and many other snow storms provided the ski resorts with lots of snow and kept the club quite busy. As usual the club skiid both Cockaigne and Holiday Valley, giving the students a choice according to their abilities and preference. The advisors for the club were Mr. Reinhold, Mr. Stahlman, and Mr. Hagadorn, and officers were Missy Spencer, Tom Swan, and Mike Swanson.

Top Four Players Compete

Although the Chess Club has not been very widely heard of, it has been active for quite a few years now. The club was advised by Mr. Eric Eklum and held its practices twice a week. The members played each other in chess to determine seeding or order from best player to weakest player. The top four seeded players competed in tournaments, which were held in Bradford and Buffalo this year. The club also sponsored a Faculty-Student Chess Tournament.

Future Secretaries Club

The Future Secretary Club is an organization for those students whose future plans include a secretarial career and for those students who would like to see what such a career would hold for them. The club planned a visit to an attorney's office, corporate offices, and a bank. Also, Jamestown Business College and Jamestown Community College were visited to investigate the educational services provided by these schools. Secretaries from local establishments were invited to speak on the essentials of a secretarial career. Dress code, salaries, professional skills, and how to apply for a job were a few topics covered.

Cosmetology Seniors

The JHS Cosmetology program at Raphael's is in its fifth year. The two year course is composed of 1000 hours in which the juniors concentrate on the theory of cosmetology and the seniors more on the practical skills. These skills include haircutting, permanent waving, and haircoloring techniques. When the student completes the course she can take the cosmetology exam which is both practical and written. A New York State license may be obtained through completing this exam successfully.

First Place at Dunkirk

The 1984 Varsity Baseball Team finished the season with a 13-8 record which put them in third place. The team, coached by William Foust, consisted of eleven seniors and six juniors. The players had many memorable moments during the season. For instance, they won the Dunkirk Invitational Baseball Tournment upsetting Orchard Park's long winning streak.

The team was led by Most Valuable Pitcher, Dave Johnson, and Most Valuable Hitter and overall MVP, Todd DeVlieger.

Last Year for Coach Rew

The 1984 JV Baseball Team finished the season very successfully. The team finished with a 12-1 record, putting them in first place. "The team was a team in every sense of the word, never giving up and always coming back," Coach Rew commented proudly. This was Coach Rew's last year for coaching the team. He has coached the JV team for two years and has had a very respectable 22-6 record over the two year period.

The highlight of the season was the team's first place in the ECIC Division 3 League Championships. Tony Long was awarded the Most Valuable Player Award.

The Jamestown Red Raider golf team had a very good season in 1984, with twenty wins, seven losses, and one tie. The team, coached by Richard Kimball, opened the season on April 30 with a loss to Fredonia 13½ to 1½. But they compensated for the loss when they met Fredonia on May 24, winning 11½ to 3½. The Red Raiders played 28 matches, plus one invitational in which they earned sixth place out of twenty-two teams.

The Most Valuable Player award was presented to Henry Mole, who was also the highpoint scorer of the team. Craig Tidquist was given the Low Stroke Average award, and the Most Improved Player was Chuck Palermo.

Only One Loss!

"The year that was" is how to sum up another season of JHS Boys' Track. Once again, the team proved to be too strong for the majority of teams in the league. They finished with an outstanding record of eight wins and one loss. They were victorious over Dunkirk, Southwestern, and Amherst, to name a few. Their only loss was to Sweet Home. Coaches Cusimano and Noonan guided the team to their final ranking. Outstanding individuals for the team were co-captain Dave Reinhardt, anchor for the mile relay team, and Jim Stebbins, outstanding distance runner. Jon Lewis, who also did a fine job, was never beaten once in his event (the 220). Mark DeAngelo went to ECIC Division 1 Championship and placed first in his shotput event. Dave Reinhardt was awarded the MVP Award and Mike Tedquist was awarded the Most Improved Player. The entire team gave 110% throughout the season, paving the way to their great success.

Melody Takes Second in NYS

The 1983-84 JHS Girls' Track Team ended its season like no other in the past. The girls finished with three wins and four losses and took fourth place in the Chautauqua County meet at Fredonia State.

This year's team coached by Mr. Larry Brickley, consisted of seventeen enthusiastic runners. Tina Grant set the school record in shot put with a throw of 34 feet 5¼ inches. Janelle Rothra led the pace in the mile and two-mile runs. Melody Prunty was, once again, sectional champion and placed second in the New York State Championships in the 400-meter run. Cindy Smith took second to Melody in total points scored and qualified for the sectional meet in both the 400-meter dash and the long jump.

Boys' Tennis Is First

Row 1: Tom Swan, Travis Patton; **Row 2:** Mike Swanson, Jeff Petry, C Coddington, Chuckie Han; **Row 3:** Dave Foley, Coach Rollinger, Ke Braun, Frank Gener, Greg McCoy, Tom Bensink

The 1983-84 Boys' Tennis Team had an excellent season. They had a final record of twelve wins and only one loss, which put them in a tie for first place in the league. Their only loss was to Southwestern, but they defeated Southwestern in their second match with them. Coach William Rollinger was very pleased with the team's success and commented, "It was the attitude. The boys had really good attitudes." Frank Gener, the Most Valuable Player, placed second in the Chautauqua County Tennis Tournament, Dave Foley placed fourth in the tournament. In addition, Frank qualified for sectionals, and Dave qualified for States.

Girls' Tennis Has Trying Season

The JHS Girls' Tennis Team went through a learning season this year with a very young team consisting of only two seniors, four juniors, three sophomores, and two players from the eighth grade. There were only two returning players — Erica Dunn and Chris Baglia. The team's final record was four wins and eight losses with heartbreaking matches against Ripley and Falconer. Stephanie Carullo, an Australian exchange student, was the Most Valuable Player, while Erica Dunn was the Most Improved Player.

First Place in ECIC Division II

The Boys Swim team had an outstanding year this year as they went undefeated with a record of fourteen wins and zero losses. "I'm proud of this team," Caoch Rollinger said as the Raiders broke East Aurora's five year dominance of the Erie County Interscholastic Conference Swimming Championship.

The team had a lot of unity and spirit. The captains for this year's team were Mike Tedquist, Jeff Currah, and Jeff Barkstrom. Everybody tried their hardest and encouraged everyone; not just the first place finishers, but all places.

Four records were broken this year, all of which were broken by Andy Creager. Andy posted new times on the record board in the 200 freestyle, 200 individual medley, 50 freestyle, and 500 freestyle. Andy was also the only Jamestown swimmer to attend the State meet in Syracuse. There he competed in the 50 and 100 freestyles where he placed seventh and sixth, respectively. Nice going, Gumby!

Other swimmers who excelled this season in their respective events were Mike Tedquist in the 200 freestyle, Tom Anderson in the 50 and 100 freestyles, Dave Garrison and Tom Glenn in the 100 backstroke, Tom Cody in the 100 breaststroke, and Jeff Currah in diving.

Third in Section VI Championships

The Girls' Swim team had a good season this year. With a record of nine wins and two losses, they came out standing second in the CCIAC league. Their only two losses both went to their rival Fredonia, one by a defeat of only one point.

Although the girls were disappointed, for they planned on going an undefeated season, they did post excellent times. Missy Parinella broke the school record for the 100 butterfly, and Kelly Lisciandro broke the school record in diving. The 200 Medley Relay team of Rhonda Sanford, Missy Parinella, Debbie Cusimano, and Kelli Rollinger swam a time of 1:58.4. This is the first time in the history of Jamestown's girls' swimming that the 2:00 mark was broken. On the same hand, the 400 Freestyle Relay team of Nikki Creager, Kelli Rollinger, Missy Parinella, and Kathy Gagne posted a time of 3:57.1, which is the first time in JHS girls' swimming that the 4:00 mark was broken.

Congratulations goes out to Kelly Lisciandro, a senior diver, who became the first girl from JHS to earn a Section VI Championship and gain a trip to the State meet. At Sectionals, Kelly finished her eleven dives with 418 points. During prelims at the state meet at the University of Rochester she hurt her hand and finished seventeenth overall.

Captains this year were Rhonda Sanford, Kelly Lisciandro, and Kathy Gagne. The Most Valuable Player award was shared between Rhonda Sanford, and Kelly Lisciandro. The Most Improved Swimmer was Marcia Lamb. The Tony LeVoie Memorial for Sportsmanship and Leadership was awarded to Kathy Gagne.

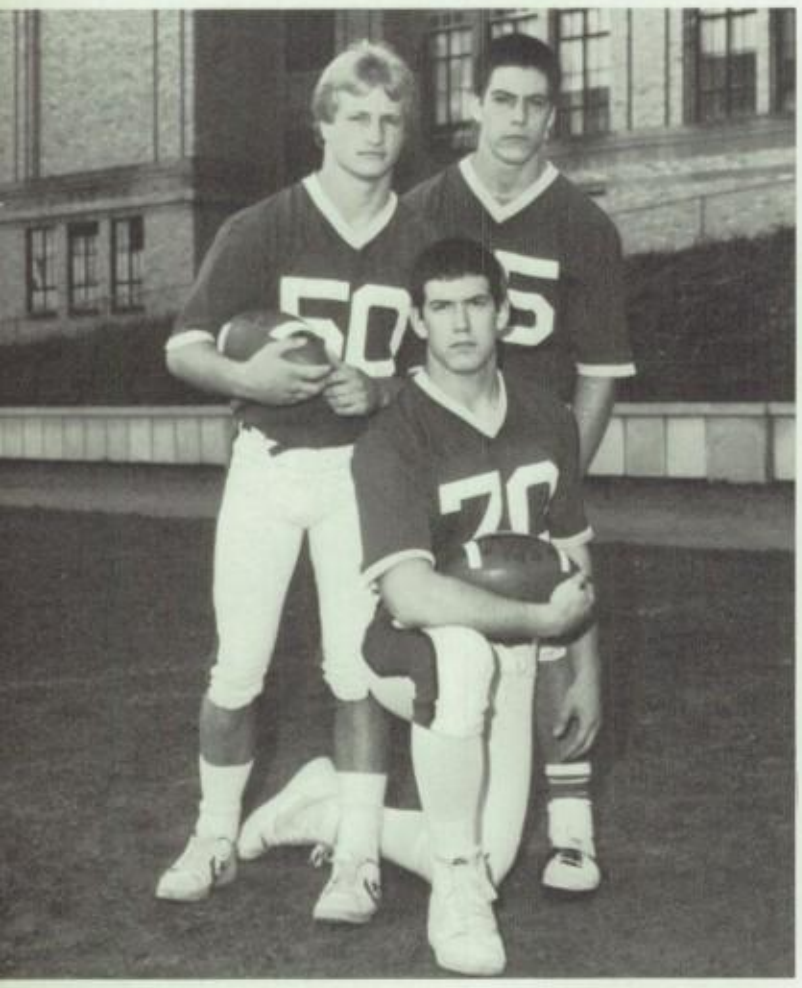
"Never Satisfied"



The 1984 Jamestown Varsity Football team ended another Division I Champi ship season with a record of 7-2. This was Jamestown's fifth Division I Championsh in the past six seasons. The Raider Football team was coached by Mr. Wally Huck and Mr. Ted Pasquale. Captains for the 1984 season were Mark DeAngelo, Jo Wasberg, and Jack Munella.

Jamestown's only two losses of the season were outside of Division I. The first w to St. Joes at the first game of the season. The second went to Frontier at the Ri Stadium Championship. Despite the 3-6 loss to the Falcons, The Red Raiders play an impressive game. Jamestown had to punt four times while Frontier punted eig times. The Raiders were penalized only four times for 29 yards while the Falcons we penalized eight times for 70 yards. Jamestown was also playing without their secon best leading tackler, John Wasberg, who suffered a shoulder injury in the previo game. Each team lost two fumbles, however, Jamestown was intercepted twice a one gave Frontier the ball for its only score of the game. Jack Munella kicked a fie goal in the third quarter to cut the Falcons lead to 6-3 which remained the same the rest of the game.

Many members of the Red Raiders were honored with various awards. Named to t All Western New York team were Mark DeAngelo and Jack Munella. Jamestowne named to the Division I All-Star First team were Mark DeAngelo, Chris D'Ange Tony Calamunci, Brad Zilliox, Andy Wilson, John Wasberg, and Jack Munella. Raiders Finish First in League

The Jamestown High School Junior Varsity Football team had a very successful season mainly because of a strong defense. The defense, led by Most Valuable Player Joe McMurdy gave up only 19 points in 8 games. Defensive back Jeff Whitney intercepted two passes for touchdowns to help the Raiders' defensive effort. The leading scorer on offense for Jamestown was James Ingerson. The Raiders had a fine place kicker in Jim Garvey who kicked a 34 yard field goal. The Raiders finished with a record of 7 wins and 1 loss. The only loss of the season was against Sweet Home. Our defense played well in this game, giving up only one touchdown, but the offense sputtered and was shut out for the only time all year. The team consisted of all sophomores except for ninth grader Bob Pollino, a tackle. Coach Tom Cusimano must have been pleased with his 1984 Junior Varsity Football team.

The Ninth Grade Football team ended their season with a record of 6 wins, no losses, and 2 ties. The team was coached by Mr. Jon Mistretta. Standout players of the season were Ken Ellis with a 40 yard interception for a touchdown against Mayville, and Greg Wilson with a 60 yard run against Mayville and a 55 yard run against Frewsburg. The leading top five tacklers were Terry Green, Ned Battle, Mike Singleton, Greg Wilson, and Kurt Fish. Award winners were Ned Battle, Outstanding Defensive Back; Greg Wilson, Outstanding Offensive Back; Mike Singleton, Outstanding defense lineman; Ken Ellis Outstanding offense lineman; Terry Green, Most Valuable Player; Jon DeAngelo, Coaches award.

Soccer Faces Difficult Year

The 1984-85 Soccer Team had a very difficult year. The team was coached by Mr. Spiros Kolivas and ended the season with a final record of three wins and six losses. There was much effort produced by every individual on the team. The team consisted of twenty-one individuals, two of whom were girls—Robin Rothra and Thessa Sinibaldi. Both did a fine job but Robin did especially well. She and Tim Sherwood shared the title for Most Valuable Player, while Bill Manno was honored with the title of Most Improved Player. Robin Rothra, Tim Sherwood, and Bill Manno all shared the role of captain and did a fine job.

J.V. Basketball

The Junior Varsity Basketball Team was coached by Mr. James Swanson. The team ended the season with a disappointing record of two wins and eighteen losses. There were many close matches though against Lancaster, Frontier, and Dunkirk. Despite the many disappointments, the team members never lost their determination. Everyone worked very hard.

The Most Valuable Player Award went to Mike Lindstrom, who was lead scorer for the season. Steve kindberg had the most rebounds for the team and Randy Runfola had the most assists. However, everyone did very well and worked very hard the whole season.

Captains

Individuals that help keep an athletic team running smoothly range from the department head, Komo Tane, to the team managers. But one of the most important members of an athletic team is the captain.

The captain must serve as the role model. This includes excellence in academic and athletic performances as well as proper out-of-school behavior. Many team captains are members of the National Honor Society.

It is an honor to become a team captain, but it is also a great responsibility. The captain must lead exercises, plan team banquets, and be a mediator between the coach and the individual team members.

The students presented on these pages are just a few of the captains of sports here at JHS. You are commended for your effort and dedication.

1984-1985 were good years for our sports teams. Football, Basketball and Wrestling all did very well. The cheerleading squads is one of the reasons why we did so well. The cheerleaders also go through long practices creating and synchronizing their routines.They share in the agonizing defeats as well as the exciting victories. They give each of us the spirit to support our home team and the enthusiasm to display our spirit at our home games.

Three cheers for our cheerleaders. Captains of the squads are: Varsity Football—Kim Manno and Jody Carlson; JV Football—Lori Everson and Amy DeVlieger; Varsity Basketball—Kristie Sundquist and Michelle Huckno; JV Basketball—Amy Devliegar and Lori Everson; and Wrestling—Cathy Johnson and Beth Nutt.

A Chance To Excel!

The faculty and students at JHS have every reason to be proud of our athletic program. All of our teams perform with perseverance, pride, and good sportsmanship. Winning or losing isn't the only thing that matters to our athletes.

The Varsity Football Team placed first in the Section Division I Championships and gained another trip to Rich Stadium. The boys Swim Team also came in first in the ECIC League. The Basketball Team also had a strong season and finished second in Division I. The JHS Bowlers should also be commemorated for finishing first in their league which also brought them to the state meet where they finished fifth.

But if you're not into the heavily competitive sports, JHS still has something to offer. The Ski Club has a lot of fun at both Cockaigne and Holiday Valley. The Cheerleaders keep the spirit of our school moving. The Synchronized Swim Team offers a medium between grace of ballet and the strength of swimming.

JHS is the school that all the others envy. We combine talent, hard work, leadership and sportsmanship, that make the outstanding teams we're so proud of.

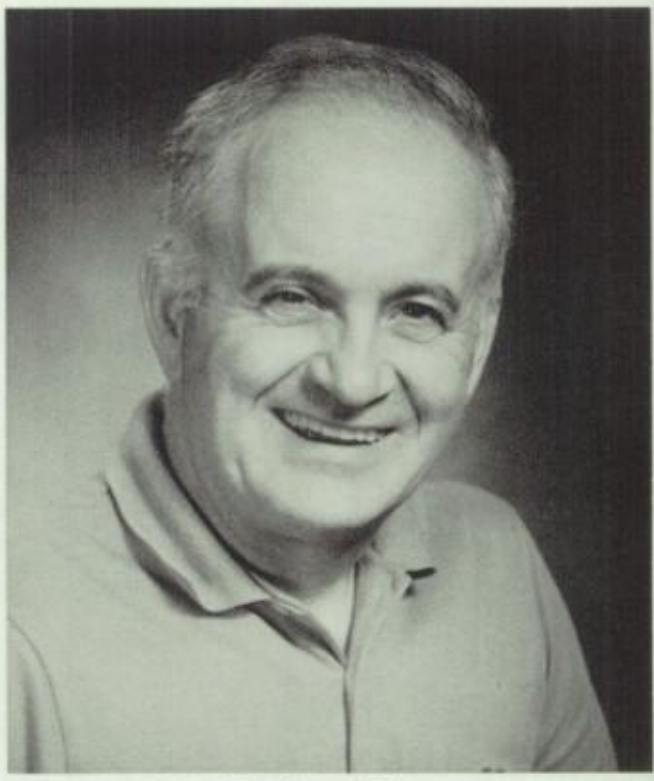
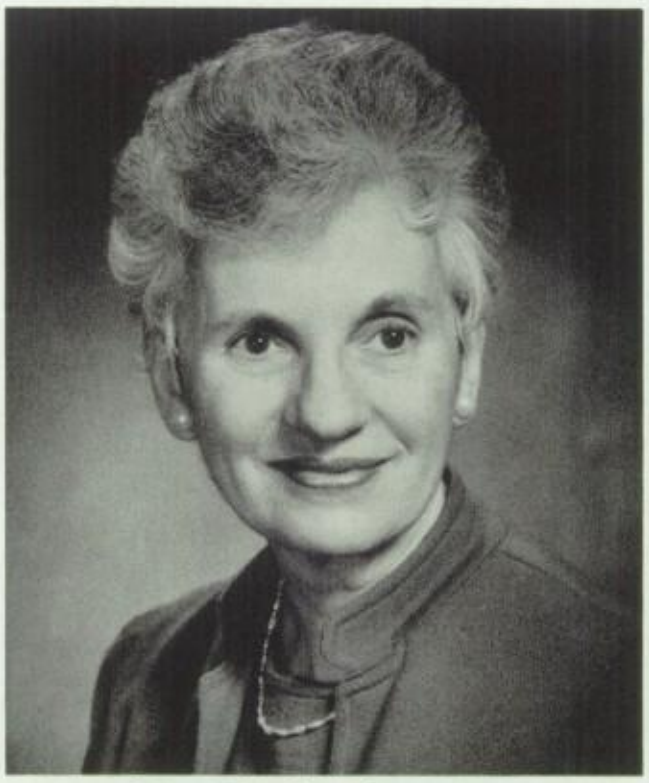
They're Looking Forward To Retirement



Mr. Richard Noonan



Mrs. Phyllis Gustavson

Mr. Marion Rizzo

Mrs. Alda Roach

Mr. Thomas Harte

Mr. Noonan came to JHS as the head football coach, which he did for five years. Since then he has been a physical education instructor for ten years. All together, he has taught physical education to students for 48 years. Before teaching at JHS he taught in Maine and New York City. Mr. Noonan has enjoyed teaching physical education so much because of the great students he has had the opportunity to work with.

After retiring, he plans to return to his hometown in Glens Falls, New York, where he was born and raised. When he arrives there, he plans to "relax and smell the roses." Mr. Noonan would also like to do some traveling. He would like to see new things and go new places. He also plans to travel to Georgia to visit his children. The one thing that Mr. Noonan will miss most about JHS is the great students here that he has worked with.

Mrs. Gustavson has been at JHS for quite some time. She graduated from Jamestown High School herself. After graduating she went on to Elmira College and Fredonia to do her graduate work. She then substituted at JHS for five years before teaching English here for fourteen years. After teaching English she wanted a change of pace so she began teaching Spanish, which she did for eleven years. Mrs. Gustavson says that she has loved being at JHS, but she is ready for another change.

After retiring Mrs. Gustavson wants to begin an entirely new career in a "non-academic" area. But, she would also like to do more of those things which she hasn't had time to do in the past. Traveling is one of those things. She would like to especially travel to Arizona, Louisiana, Florida, and Quebec, where her children now live. She also enjoys gardening, reading, and walking.

Aside from all this, Mrs. Gustavson will miss the warm feeling here at JHS very much. Her greatest rewards came from continuing the friendships made with her students.

Mr. Rizzo is presently a counselor here at Jamestown High School. After graduating from St. Bonaventure University and King College, he began teaching math at Jefferson Junior High School. After four years he began counseling students there which he did for fifteen years. After counseling he took the position of principal at Jefferson for three years before moving up to the high school, where he has been a counselor for fifteen years. After being a part of the Jamestown School System for 37 years, he is eagerly looking forward to his retirement.

Mr. Rizzo has always been very active in sports. He was awarded an athletic scholarship to attend King College and has coached midget league football and little league baseball teams in the past. One of his hobbies includes watching spectator sports. Although he has not been able to do this much in the past, after his retirement, he plans to actively take part in this interest.

Mr. Rizzo also plans to pursue his gardening and cooking interests more. He loves preparing outdoor and barbecue meals as well as gourmet Italian food.

Mrs. Roach graduated from Miami University in Ohio with a Degree in Education and received her Degree of Library Science at Columbia University in New York. Afterwards she worked at the Main Public Library in Detroit. Then, she went to the Penniman Library at the University of Pennsylvania before coming to Jamestown. She has been a librarian at Washington Junior High School for nineteen years and at JHS for three years.

Mrs. Roach had specialized in college library, but because of special circumstances she decided to work at the junior high school level. However, she has certainly enjoyed her 24 years here. She really enjoys helping students in their research. She says helping someone in finding the proper book or magazine for their work really gives you a good feeling.

There are many things that Mrs. Roach plans to devote more time to when she retires. Of course, she loves reading. Her favorites are non-fiction and history books. Mrs. Roach would also like to do some traveling. She plans to visit Scotland to learn about her heritage.

Mr. Harte graduated from St. Bonaventure University and has since been a part of the Jamestown School system for 28 years. He first taught math and American studies at Washington Junior High School for four years. Then, he came to JHS to continue teaching American studies and to add English and Sociology to his teaching courses. He has been teaching at the high school for 24 years.

However, teaching is not the only thing that has occupied his time. Mr. Harte has held elective offices in Chautauqua County for twelve years. Most recently he has been the Chairman of the Board of the Chautauqua County Legislature for the last two years. Mr. Harte was also President of the Jamestown Teacher's Association and represented the teachers on the state and national level. He has obviously been very busy and will relish the spare time gained from his retiring.

After retiring Mr. Harte looks forward to traveling, reading, and taking part in sports. He would like to travel to parts of this country and Europe. He also enjoys playing tennis, golfing, trout and salmon fishing, and cross country skiing. He will certainly enjoy pursueing his interests further during his spare time.

SEN

IORS

Class Of 85 Top Ten

In the early spring, Mr. McElrath announces the top ten students in the senior class. To finish in the top twenty percent of a class of 405 students is an achievement in itself. However, these students took an extra step by being named to the top ten members.

Class rank is based solely on a student's academic performance. Many of the top ten finishers commended the strong academic program at JHS. The Advancement Placement program was highly recommended by several students as preparation for college study.

Many of these students didn't stop at just one year of math or science. Many continued their studies for four years. Many students completed studies in a foreign language, and some even took more than one language.

A common misconception that many students hold is that the only thing the top ten finishers do is study. However, nearly every top ten finisher was involved in extra-curricular activities. Although sacrifices were made, it was well worth it.

Boys' & Girls' State

Mark J. DeAngelo, Kathleen F. Gagne, Norman W. Czubaj Jr.

The Ira Lou Spring American Legion Post awarded Boys' State and Girls' State to Mark DeAngelo, Buddy Czubaj, and Kathy Gagne. The selection was based on their leadership, community service, and high scholastic ability.

Both awards are citizenship training programs designed to meet the needs of youth and to give them a greater insight into our democratic form of government. Its purpose is to inspire a deep sense of responsibility and obligation by educating the student in the duties, privileges, and rights of American citizens.

As Boys' State representatives, Mark and Buddy stayed for seven days at Sienna College in Albany, along with over 1000 other young men from high schools all over the state. The boys first were divided into countys and then subdivided into cities with three cities in each county. Mark was selected as City Judge and Buddy was selected as a senator and county delegate to the Party Platform Committee.

Kathy Gagne attended Girls' State which was held at the State University of New York at Albany. She, along with approximately 300 other girls, were first divided into two opposing political parties, the Nationalists and the Federalists, and were then subdivided into wards. Kathy was selected as State Comptroller, which is the third highest office at Girls' State.

One of the highlights of the week was a joint-session of Boys' and Girls' State with Governor Mario Cuomo as guest speaker. This is the first time in the history of Boys' and Girls' State that they have gotten together for a group assembly.

Mark, Buddy, and Kathy believe that this was an excellent experience. It gave them the opportunity to learn more about our democratic system and to meet people from all over New York. Mark, Buddy, and Kathy would also like to thank the Ira Lou Spring American Legion and the faculty of JHS who gave them this opportunity.

Battle Of The Classes Holds Much Excitement

The Battle of the Classes has long been a tradition at Jamestown High School, but each year is very different and very special in its own way. As usual there was a can collection and pre-sale ticket sale. The pre-sale of tickets went well as there were a record number of tickets sold this year also. All of the money earned was donated to the Buffalo Children's Hospital. The other events of the Battle of the Classes were a volley ball game, an orange pass, a jumprope competition, a toilet paper relay, a marshmallow relay, a three-legged and wheelbarrow race, and a tug-of-war. The whole evening was very exciting. Hundreds of students from each class attended to show their school and class spirit. The Class of '87 had an exciting but misleading start by winning the first event, the volleyball match. After that it was a long difficult struggle between the Class of '85 and the Class of '86 with the Class of '86 finally winning. Second place went to the Class of '85; the Class of '87 and Class of '88 took third and fourth place, respectively.

Following the monotonous routine of school everyday gets very boring after a while. By March everyone is pretty fed up with the daily routine. To have a break from all this, we celebrate "Freak Week" at JHS. For one week every year, students get a change of pace, experience something very different from the daily routine, and get the chance to "freak out."

The week began by a variety of t-shirts, hats, and buttons being displayed. Tuesday, which was punk day, brought students the chance to really "freak out," and quite a few creative costumes were worn. Many students dyed their hair in different colors and some added beads or chains for this occasion. If you aren't one to dress-up or grub-up, you had the chance on Wednesday (grub day) and Thursday (dress-up day). However, the climax of the week's events occurred on Friday, which was toga day! Of course, many students chose not to participate, but those who did went all out. A variety of styles and lengths were displayed, and many accessories like swords and shields were also used. Some students dared to wear Mickey on their backs, and some went to school in the comfort of satin. Friday night there was a dance put on by Student Organization to end the week. It was a fitting finish to a very exciting week.

Images of 84 and 85 appear on the following pages to remind us of personalities and events that relate to our time. Several pictures link us to our school environment, while others represent national or international subjects. On pages 212 and 213 a sampling of student work provide us the opportunity to visualize artistic expression as well as a review of our year. The student work was submitted to Mr. Anderson for various projects in his photography course.

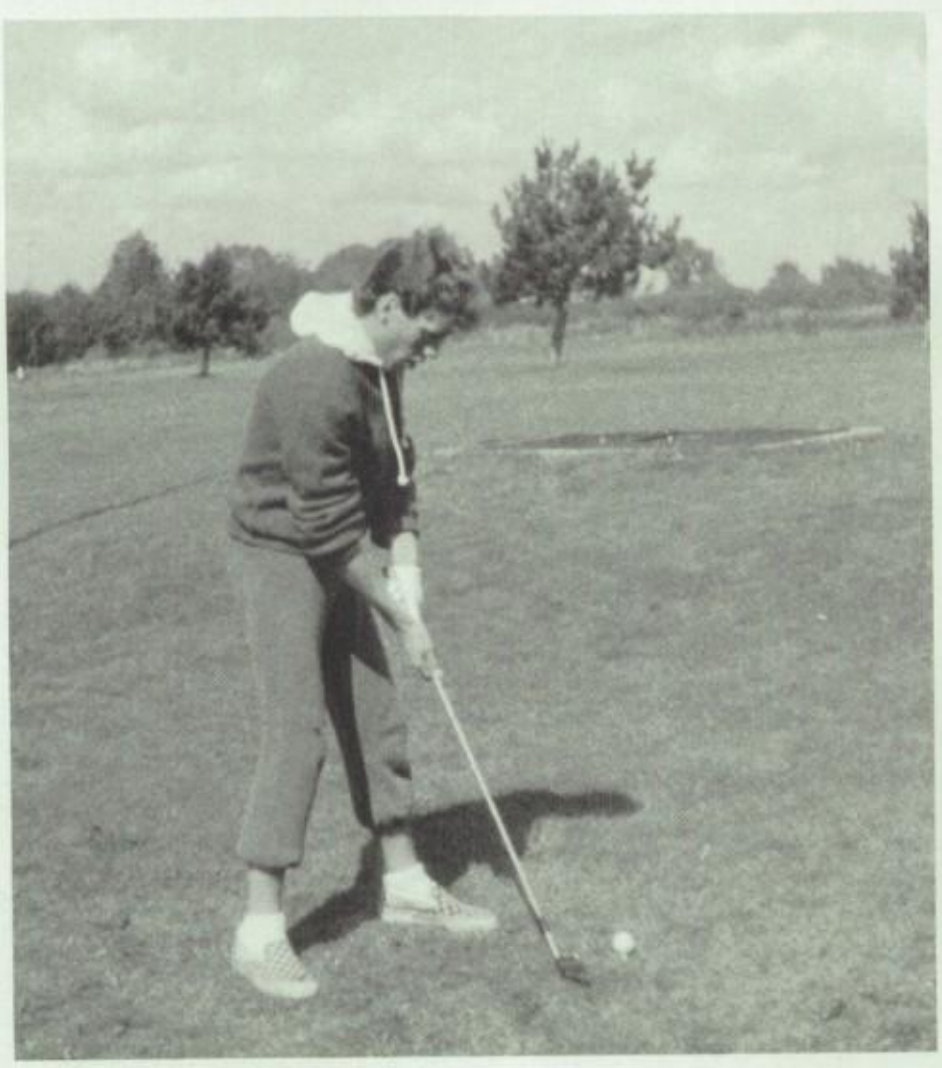
Life After Jamestown High School?



As all of us know, life doesn't end after JHS. Much of what we do inside school (academics, activities, sports, school events. . .) is very significant to us, but events outside of JHS are very important to us also, and a backtrack of our year would be incomplete without a summary of these events.

Many students have jobs outside of school that have taken up many hours over the past year. Whether the work was at Wendy's or Barbara Moss or W.C.A., the job was important and meant a great deal to them.

Getting in shape has become very important to people lately and many students took up jogging in their spare time to do just this. For exercise, the guys went to the Y to play some hoop, pump iron, or swim a few laps. Many girls could also be seen lifting weights and doing aerobics at fitness centers.

Most students like to enjoy themselves outside of school as much as possible. Students engage in hobbies and pursue interests in every spare moment. For some that meant watching soaps, collecting stamps, or just relaxing; for others it was eating, dancing, or fishing.

Quite a bit of spare time was usually found on the weekends. That meant spending time with the family or getting together with friends. Countless Saturdays were spent shopping, and many Sundays took place at a football game or concert.

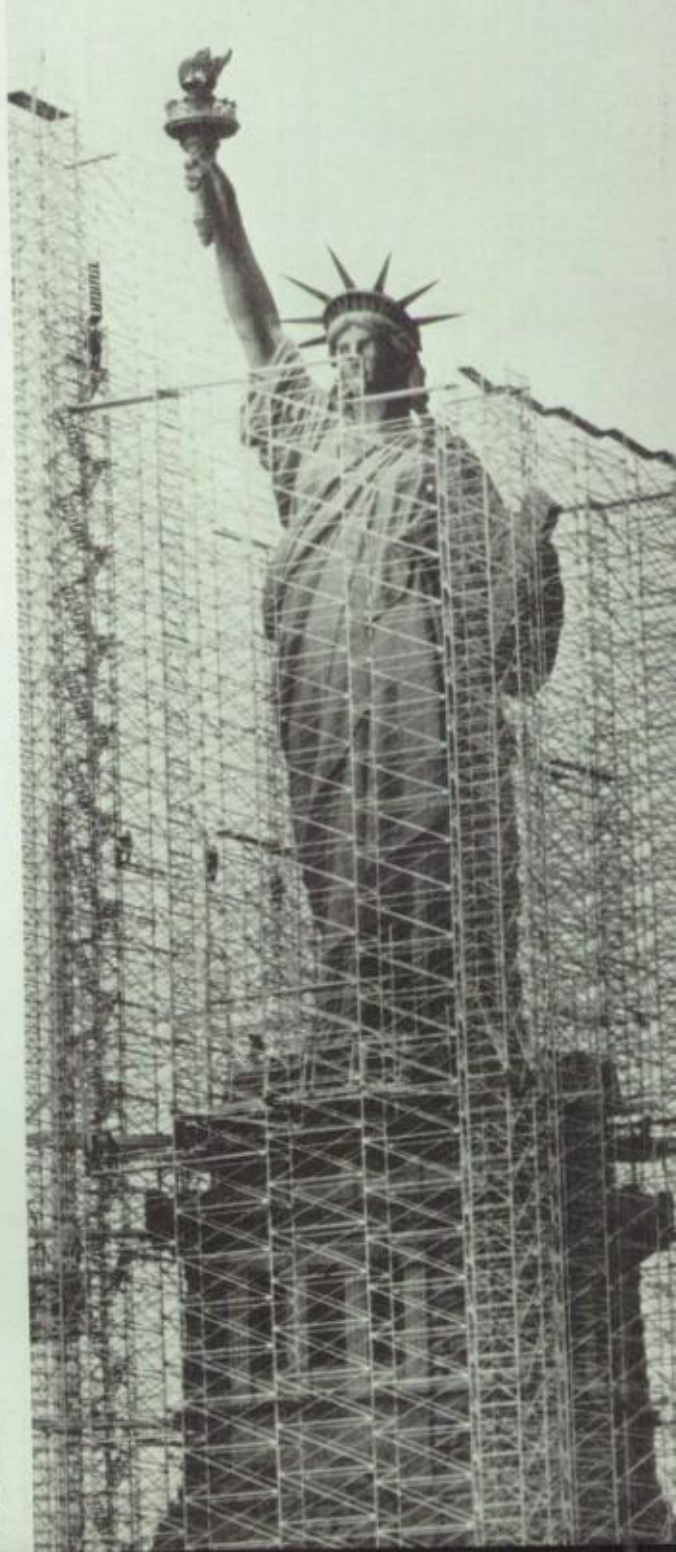
History In The Making

1984 and 1985 have certainly been two years that have had a very significant effect on the nation's history books. The events that have taken place in this nation in these years have had a great impact on all the nations of the world. But, more than this they have affected each one of us in some very important way.

1984 was a very special year because it was also an election year. Although the campaigning and debating were exciting to some people, they were very serious matters to most. President Reagan announced his decision to run for office again in 1984. He sought re-election with his vice-presidential running mate, George Bush. Walter Mondale decided to run for the presidential office and made history in 1984 when he chose Geraldine Ferraro as his vice-presidential running mate. It was the first time in our nation's history that a woman has ever run for the vice-presidential ticket. In the end, President Reagan was re-elected with the biggest electoral vote in the nation's history. He won forty-nine states with forty-nine percent of the total vote.

1984 was a year that was also filled with much war. Even though it wasn't in our nation, much of it has affected us. One example would be the Middle East. All of the turmoil in the Middle East has had a great effect on us. This is mainly because the United States Marines were stationed in Lebanon to help maintain order there. When the Marines arrived in Beirut in 1982, Lebanon was torn by civil war and foreign invasion. By 1984, more than 260 Marines had died, and Lebanon was still at war, with most of its territory occupied by foreign troops and its government tottering. President Reagan then realized that nothing more could be done on our part and pulled out our troops. The families of the troops were overcome with joy that their prayers had come true, the Marines were coming home.

The Statue of Liberty celebrated her 98th birthday in 1984, and it became very evident as she began to show her age. The Statue was being torn apart from constant pummeling by wind, salt air, and acid rain. She was also breaking down because the iron ribbing supporting the copper covering was badly corroded. The Statue has been a very traditional symbol of freedom and liberty ever since she was given to us by the French. To keep the symbol alive a two-year restoration was begun in July 1984. The restoration includes the reinforcement of the structure and the addition of a new gold plated torch. But more than that it includes a reinforcement of the values of freedom and liberty in our nation.



Opposite page: A tremendous amount of work is being put forth to keep our Lady standing tall and her torch shining bright; **Above:** President Reagan and Vice-President George Bush show their gratification; **Below left:** Walter Mondale and Geraldine Ferraro after receiving the Democratic nomination; **Below right:** Marines coming home from Lebanon.

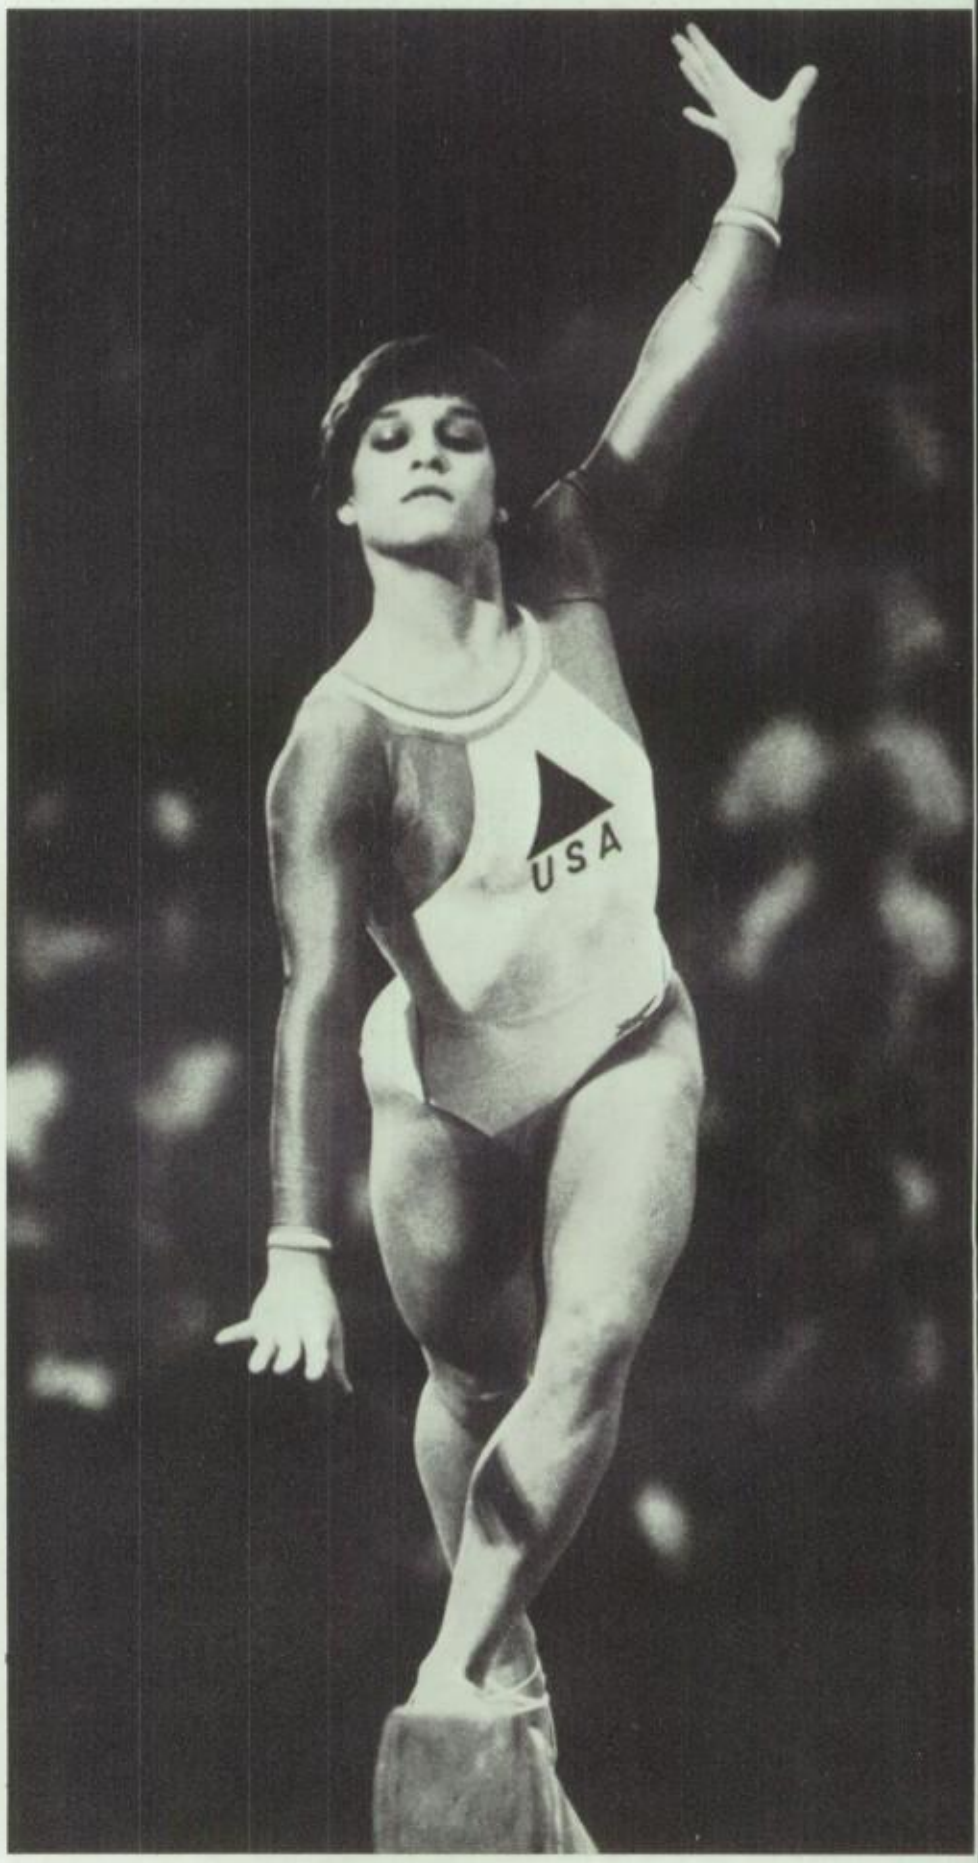
These things have all changed us in a very serious way, but there have also been other areas which have affected us. Many aspects of theater, music, and sports have been very significant in 1984 and 85.

Movies have certainly been very big. The mischievous Gremlins crept upon us to win our hearts, but the Ghostbusters were there to save the day. Prince showered us with Purple Rain, and a street-wise cop named Eddie Murphy also gave us all quite a few laughs. "Terms of Endearment" brought a few tears but certainly gained our approval as it won the Oscar for the best picture. Shirley MacLaine also won an Oscar (best actress) for her role in the movie as an eccentric mother, and Jack Nicholson won best supporting actor for portraying a pot-bellied ex-astronaut. The best actor Oscar went to Robert Duvall for his role in "Tender Mercies" as a washed-up country singer who overcomes the hard battle against alcoholism. Linda Hint received the best supporting actress Oscar for her role in "The Year of Living Dangerously." The movies have brought a lot into each of our lives.

Some movies have hit high on the music charts such as "Ghostbusters" from Ray Parker. Prince also gave us his movie and music. Michael Jackson took his Victory Tour in 1984 after he made history by selling the highest number of albums ever (20 million copies sold). But, his so-called Victory Tour brought on many criticisms and made room in the music business for other artists to soar. Bruce and Prince took many of his applause. February brought us the American Music Awards and the Grammys and many music artists were recognized and honored for their achievements.

Christmas 1984 brought a very new music to us as the British created the single "Do They Know It's Christmas Time?" All proceeds went towards famine relief in Africa, and millions bought the LP to do their share for the growing number of starving people in Africa. The American artists produced their counterpart called "We Are The World," which was also made for famine relief in African countries. It was nice to see the music artists take out the time and effort to do something very positive to fight the raging battle against starvation.

Many aspects of sports have also been significant to us. The 1984 World Series saw the Detroit Tigers chew up the



San Diego Padres when they won four games to one. The Super Bowl held in January saw the San Francisco 49ers crush the Miami Dolphins. Dan Marin's inexperienced hand just didn't make it against Joe Montana's.

Although the Winter Olympics in Yugoslavia saw only four gold and four silver medals for the U.S., the Summer Olympics held in Los Angeles, California saw the Americans win 83 gold, 61 silver, and 30 bronze medals. The Soviet Union led many communist countries in boycotting the Summer Games in retaliation to our boycot of the 1976 Summer Games in Moscow. However, most of us put the troubles of the games in the back of our mind for two weeks while we experienced the excitement of the Olympics. They became very special for all of us as we cheered on our athletes to their amazing triumphs and achievements.

All of these events will be remembered in the history books as things that have had a great impact and in our minds as things that have affected and changed us. In our summary of the school year, all of these items must be included because they are making history and making us what we are and what we are about to become.

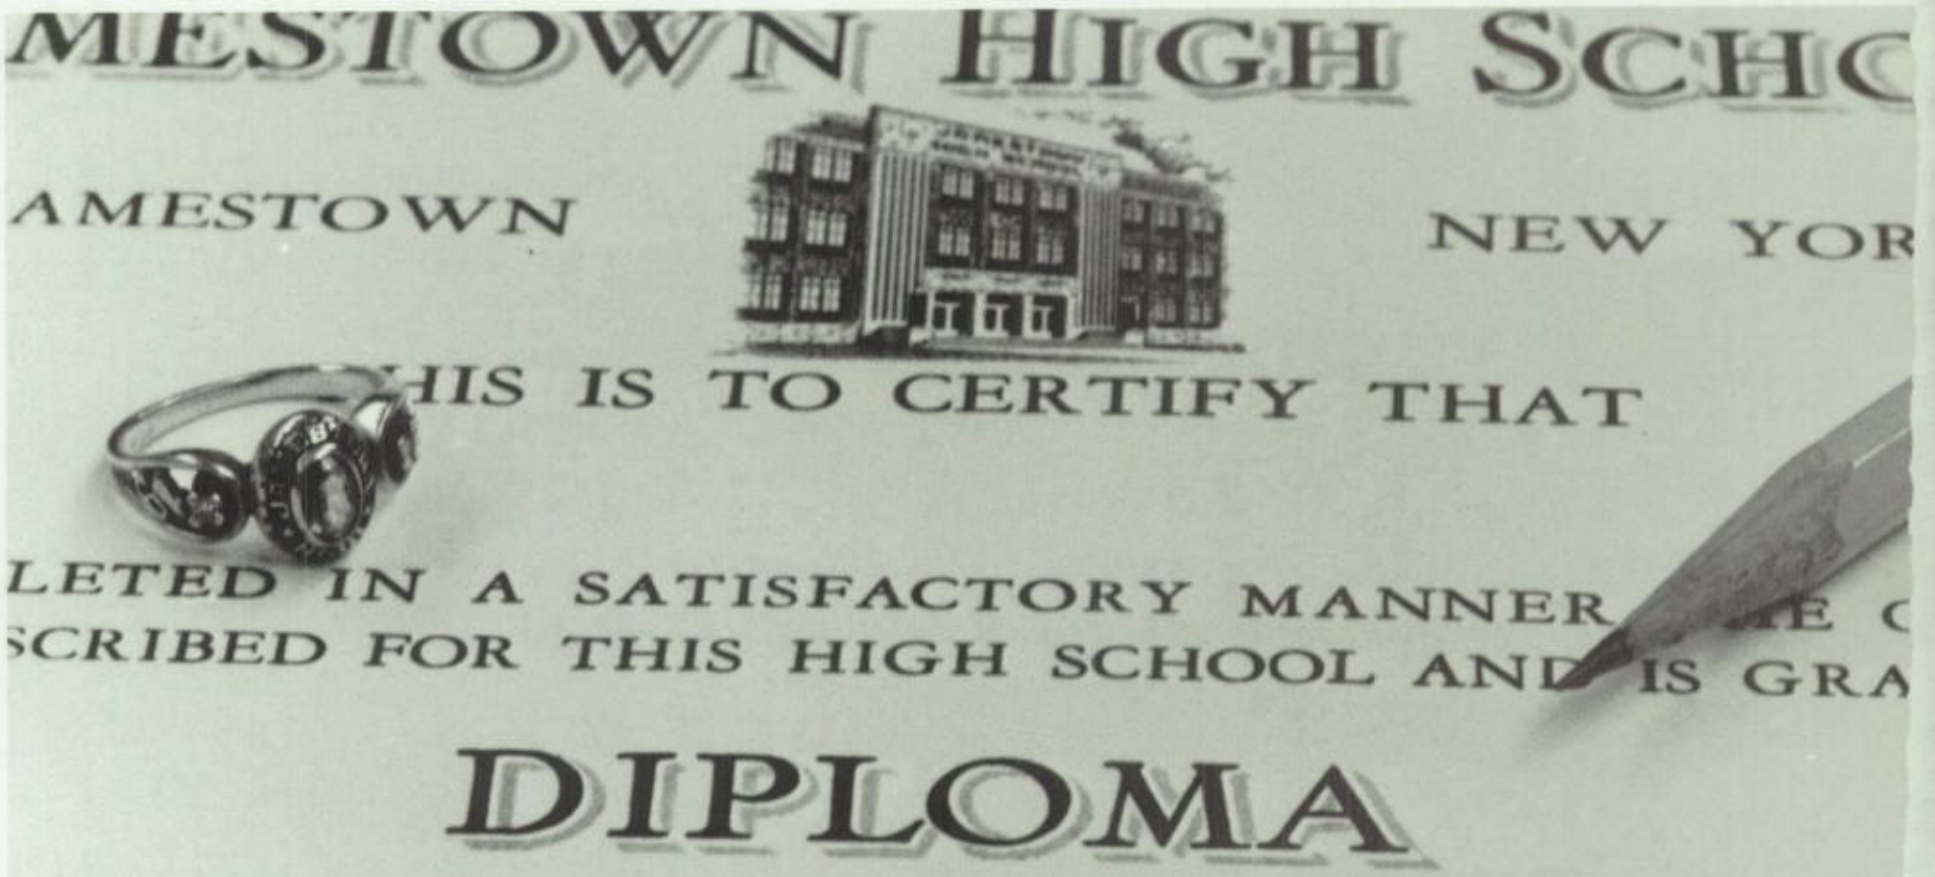
Parting Shot



This year has been a very busy year for the Red and Green yearbook staff. And we have had to overcome several new problems that made meeting our deadlines even more challenging. Only through the dedication of a few staff members was it possible to complete this book. Special appreciation and thanks go to Sumedha Mongia and Kathy Gagne (Senior Co-Editors) for their extra effort and time spent working after school. Also our Business Editor, Rhonda Cameron, did an excellent job of handling and recording our financial books. Yearbook—what an experience!
